# Digital Heritage Futures: Innovation, Tourism and Storytelling

## Workshop and Closing Event

*“Provision of Digital Technologies Fostering Tourism 4.0 and Technological Learning in Montenegro”*

**2–3 June 2026**

We are pleased to invite you to the final workshop and closing event of the project *Provision of Digital Technologies Fostering Tourism 4.0 and Technological Learning in Montenegro* - supported by the Government of Slovenia, and the Slovene Enterprise Fund - implemented in partnership with the Ministry of Economic Development and Tourism of Montenegro within the framework of the United Nations Industrial Development Organization initiative supporting digital transformation and innovation in tourism.

The two-day programme will combine a practical hands-on workshop on digital heritage documentation and photography with the presentation of the project's key results and innovative concepts developed through the *Call for Innovative Concepts: Digital Interpretation of Cultural Heritage*.

The event aims to foster exchange and collaboration among representatives of public institutions, municipalities, tourism organizations, technology providers, creative industries, academia, students, and experts working in the fields of tourism innovation, digital transformation, and cultural heritage preservation.

## Participation and Registration

Participation in the workshop and closing event is free of charge.
